REFLECTIONS

INGRID MIDORI NUÑEZ YAMAGUCHI

GOALS

- Be part of a prestigious global network composed of more than 30 universities in 22 countries.
- Enjoy an International training opportunity without having to leave the campus .
- Learn multicultural experience for everyone.
- Establish friendships with different cultures through different discussions and group work that develop during their classes.
- Improve the English language.
- Implement learned English and familiarize you with the different accents of the world which enriches its future work experience anywhere in the world
- Get the certificate program name

METODOLOGY

- Attend all classes.
- Monitoring my coworker (partner).
- Sharing information about my culture and me.
- Allow bonds of trust.
- Keep in mind the advice of teachers
- Using Whatsapp, Facebook and Skype
- Sharing photos.
- Sending audios.

RESULTS

- I learned about the American Culture, working with Micajah Jones from East Caroline University. It was a good team, and we managed to complete our project without problems.
- I learned about the Turkey culture, working with Mert Ontas from Istanbul University. It was a great experience, we was a hardworkers and we managed to complete our project without problems.
- In general, I share a lot of my culture and me we both teams.
- I improved my english and disscused about differents topics.
- I made some friends from both Universities.
